

## Lipizzan EP Track 1

### It's All For Love

San Sivar, perfect breeze, Salvador by the sea  
Panama to Belize she caught me on my knees  
In a prayer, How's life spent?  
She smiled with pure content

It's all for love

My vida Libertad, mi preciosa, en la playa  
San Sivar offers a warm perfect night  
Again she said with perfect right

It's all for love
